

Reidville Elementary School

300 College Street

Reidville, SC 29375

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-4 Elementary	Principal:	Dr. Kim Deering
Enrollment:	313 students	Superintendent:	Dr. Scott Turner
School Phone:	864-949-2388	Board Chair:	Mr. Garry Harper
School Website:	http://www.spart5.net/rves/site/default.asp		

Profile of the SC Graduate

- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

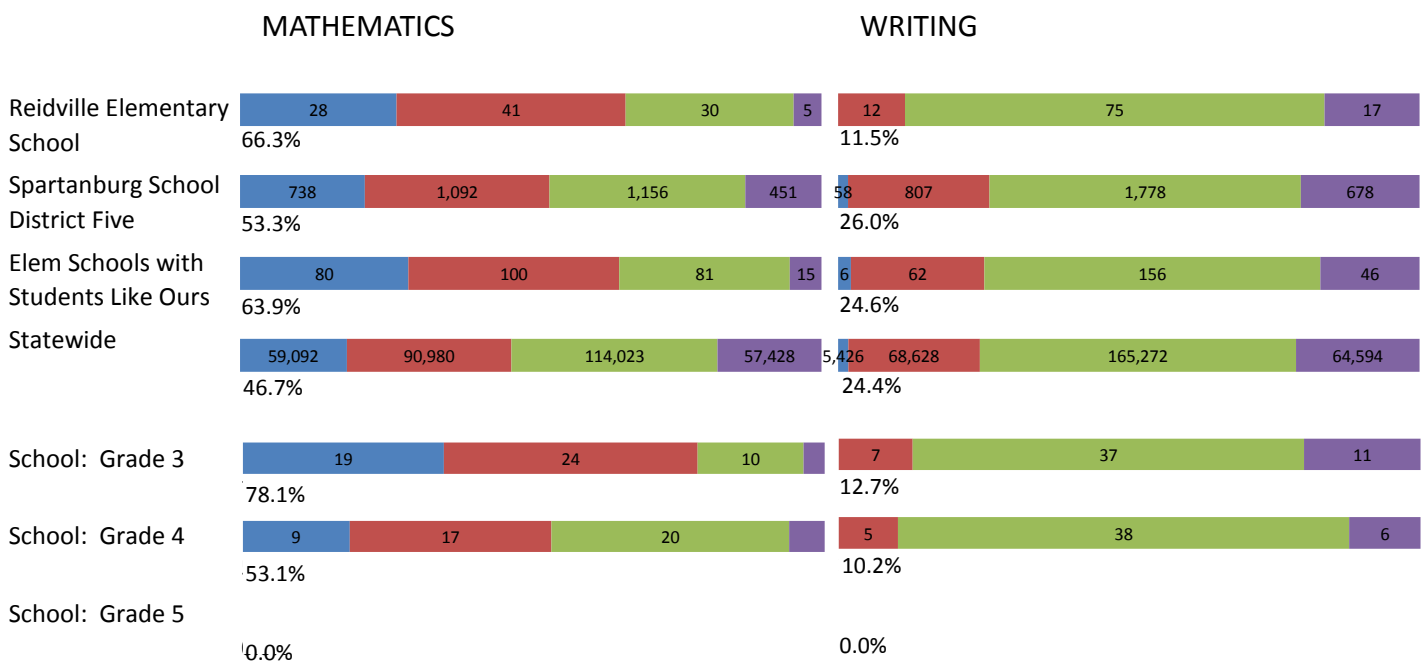

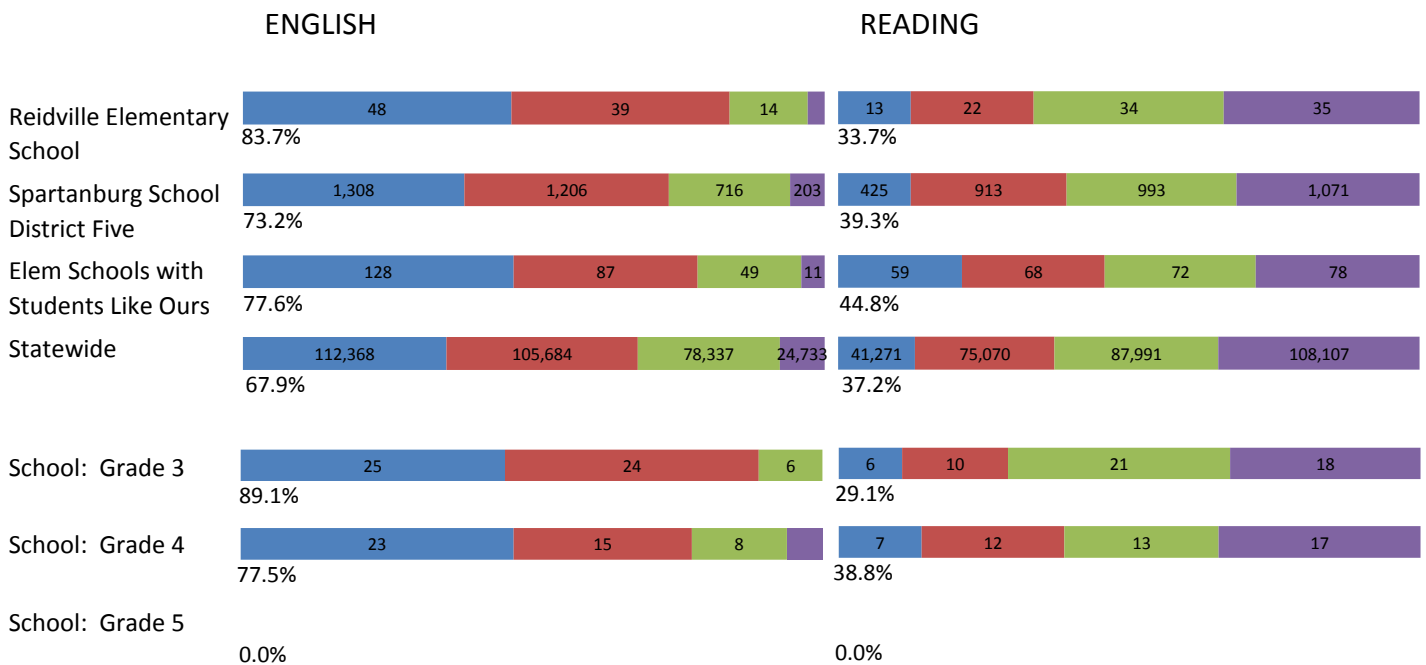

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Reidville Elementary School is located in one of Spartanburg's most rapidly growing communities. This year we serve approximately 320 students from grades K4-4. Our mission is to develop responsible life-long learners by providing meaningful and positive educational experiences for students in order for them to reach their maximum potential in an ever-changing world. Our district is helping all students develop the world class skills and life characteristics of the Profile of the South Carolina Graduate by providing every student quality educational experiences in a safe, nurturing and engaging environment, enabling our students to succeed in life and function as productive citizens. Teachers are afforded continuous professional development regarding new research on student learning, emerging technology tools, and curriculum resources. Professional development was provided in the areas of Visible Learning, guided reading and math, assessment, and data analysis. We implement a learning-focused model of instruction, curriculum-based learning maps, balanced literacy, guided reading/math, and inquiry-based science and social studies. Students are exposed to hands-on science in our National Wildlife Schoolyard Habitat. Technology is integrated through the use of promethean boards and selected online learning programs. Emphasis has been placed on student access to technology devices such as ipads and laptops. Learning opportunities are plentiful for our students and include our Technology Team, Art Creations, Running Club, Drama/Chorus Club, and Good News Club. Positive student leadership is promoted through Student Council, Olweus Anti-Bullying Program, Rocket Squad, Rock Stars, and Morning Show Reporters. Our character education program focuses on career/life skills with a hero theme. On career day, twenty speakers shared their school-to-work experiences. Community involvement is encouraged through our Fall Festival, SMART Night, All-Star Dads' program, Student Talent Show, Career Day, Order of the Quill, community breakfasts, choral and drama productions. We are grateful for continued support from our PTO and local business/community partners including the Fire Department, Town Council, Historical Society, Bojangles, Zaxby's, McDonald's, The Garden Club, Publix, and Ingles. Through the collaborative efforts of students, faculty, parents and community, we will continue to provide every child the best possible educational opportunities in a warm and supportive, child-centered environment. Dr. Kim Deering, Principal Jon Hollis, SIC Chair

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
